

Office of the Chancellor
THE TEXAS A&M UNIVERSITY SYSTEM

March 10, 2020

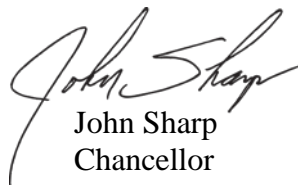

Dear CCC Members -

Due to ongoing concerns about the global outbreak of COVID-19, I believe it is prudent for me to postpone the annual meeting of the Chancellor's Century Council — at least until we see how this plays out and how Texas fares.

I wanted to act soon enough so you could get a refund on your hotel room. The Texas A&M Hotel and Conference Center will be cancelling all reservations made for this meeting. Also, the CCC staff will begin processing refunds of your meeting registration fees.

I apologize for any inconvenience, but throughout this escalating situation, I have taken the approach that it is better to err on the side of caution to protect our students, faculty, staff and the larger A&M System community.

Our A&M System family deserves no less. As always, thanks for your support.

John Sharp
Chancellor
