A large, vibrant firework explosion is captured against a black night sky. The firework bursts into a dense, fan-like shape, with numerous bright white and yellow streaks radiating outwards. In the upper left corner, a cluster of green sparks is visible. The overall scene is dynamic and celebratory. Overlaid in the center of the image is the text '\$40M' in a large, bold, white sans-serif font.

KAYAKING

An aerial photograph of a coastal college campus. The campus is situated on a peninsula or a narrow strip of land, bordered by a large body of water on three sides. A long, straight bridge or causeway runs along the right side of the campus, connecting it to the mainland. The campus itself is densely packed with various buildings, including academic halls, dormitories, and administrative structures. There are several large parking lots filled with cars. In the background, a large stadium or arena is visible, surrounded by greenery. The water is a deep blue, and the sky is clear. The overall scene depicts a well-developed, modern college campus with a strong coastal identity.
