Academic Performance

**Sometimes you want those
numbers to grow**

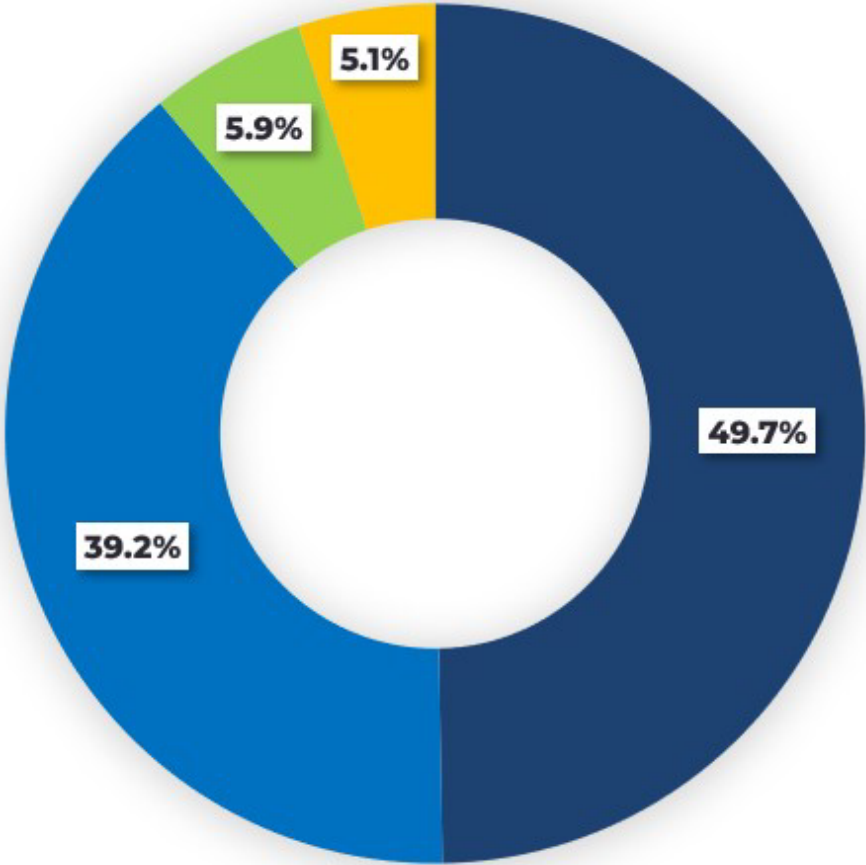

A large group of students, mostly wearing blue t-shirts with a circular logo, are posed on a grassy lawn in front of a modern, multi-story building with a curved facade and large windows. The scene is captured in a blue-tinted, semi-transparent style. The students are arranged in many rows, filling most of the foreground and middle ground. Some students in the back rows are holding small signs, with one clearly visible sign that says "SCIENCE".

A photograph of two female scientists in a laboratory setting, overlaid with a blue tint. They are both wearing dark blue lab coats with 'ARTE INSTITUTE' logos. The scientist on the left is wearing white gloves and using a pipette to transfer liquid into a multi-well plate. The scientist on the right is also wearing gloves and looking at the work. The lab bench is cluttered with various items including a box of Kimtech tissues, a rack of pipette tips, a multi-well plate, and other lab supplies. The background shows lab cabinets and equipment.

A blue-tinted photograph of a laboratory. In the foreground, a young man in a white lab coat is looking at a tablet. Behind him, a woman in a lab coat is also looking at the tablet. In the background, a man in a lab coat and glasses is looking down. The lab bench is cluttered with various pieces of equipment, including a large piece of machinery on the right and a tray of test tubes in the foreground. The overall scene depicts a busy research environment.
